Capturing and Delivering the Record Has Never Been *Easier!*

Easy Recording

Sometimes the simplest solution is right at hand . . .

The Veri-Core Digital Recording Suite is an advanced multi-channel digital audio/video recording solution. Add to that handheld recorders from industry leaders Olympus, Grundig and Philips, plus Dragon Naturally Speaking. Now you have a complete set of dictation solutions with speech-to-text, and recording solutions for courtrooms, hearing rooms, depositions, interviews, business meetings and more!

Easy Reporting

Sometimes the solution is as easy as dialing the phone . . .

Easy Reporting eliminates the need for parties and the reporter to travel to a central location. Simply schedule your session with our call center and our Remote Reporters will be standing by to provide an easy solution to your reporting needs.

If you have a phone, you have a reporter!

Easy Transcribing

Sometimes the solution simply jumps off the page . . .

Easy Transcribing delivers a simple and economical means of producing a transcript from your recorded audio and video: login to our secure web portal; upload your recording; and an accurate verbatim transcript will be delivered to you.

It's as simple as that!

When it comes to the Record . . . *Easy Does It!*

Record Solution's team of recording, reporting and transcribing specialists have years of experience preserving the record. Contact our expert sales team at 732-625-1318!

The Record: *Delivered!*
