

# Dictation Solutions

Easy Recording

Easy Reporting

Easy Transcribing

**The Problem:** Professionals need a comprehensive dictation system to capture their memos and communications, upload the recordings to a PC, manage those recordings, and transcribe them to produce notes, letters or transcripts as needed.

**The Solution:** Record Solutions offers and delivers a comprehensive set of digital solution alternatives from industry leaders Olympus, Philips and Grundig. The key features offered include crystal clear audio, enhanced security, instant upload and complete transcription support.

## **The Configuration:**

- Professional handheld dictation device from Olympus, Philips or Grundig with
- Cradle to charge the recorder and upload recordings to a PC
- Transcription kit to support easy typing of content.
- Option to add Dragon Naturally Speaking speech-to-text software
