# RemoteReporter™

Remote reporters from **Record Solutions** are available whenever you need them.

**All you need is a phone!**

Record Solutions' certified\* remote reporters are standing by to record, report and deliver the audio and your verbatim transcript for a variety of legal proceedings, just as if the reporter were in the room with you.

- If you need **immediate** online **access** to the **audio** . . .
- If you need **multiple short depositions** . . .
- If you need **interviews** or **statements under oath** . . .
- If you are conducting **discovery** for a civil procedure . . .
- If you holding a **hearing** or **conference** or **meeting** . . .
- If you need a **recording** or **transcript** on **short notice** . . .

**RemoteReporter™ is for you!**

- ✓ **Flexible:** Schedule your session 24/7 on our EasyScribe™ Cloud Portal, so your remote reporter is available when and where you need them. Audio is downloadable shortly after the session ends.
- ✓ **Convenient:** Conduct sessions from your conference room or any location, eliminating travel time, expense and the need to haul around relevant case documents.
- ✓ **Cost-Effective:** Save time and money scheduling and managing the entire process on the Cloud with EasyScribe™.

\* All Record Solutions reporters and transcribers are certified by the American Association of Electronic Reporters and Transcribers (AAERT).

**The Record: *Delivered!***
